The U.S. Department of Education, under 34 CFR 668.42, requires the disclosure of general information to students with regard to consumer-information regulations.

Campus Security/ Cleary Act:

The "Jeanne Cleary Disclosure of Campus Security Policy and Campus Crime Statistics Act" (originally the Crime Awareness and Campus Security Act of 1990) is a federal law that requires institutions of higher education in the United States to disclose campus security information including crime statistics for the campus and surrounding areas. It was first enacted by Congress in 1990 and amended in 1992, 1998, 2000 and 2008.

To comply with these regulations, we are providing basic information as follows:

- Annual Security Report
- Disclosure of Institution's Security Policies
- Reporting of Crime Statistics
- Encouragement of prompt reporting of crimes

For specific Emergency, Evacuation and Lockdown Procedures see the handout. Attached to this report.

Policies for Reporting Crimes and Emergencies

Crave Beauty Academy prepares this report to comply with the Jeanne Cleary Disclosure of Campus Security Policy and Crime Statistics Act. Students, parents and staff may access this report in full at any time. A complete copy of this report is available in the Crave Campus Director Office and the Business Office. This report is prepared in cooperation with the Wichita Police Department.

Campus crime, arrest and referral statistics include those reported to the Wichita Police Department, and the Crave Beauty Academy designated campus officials.

Each year, the administrative representative for Crave Beauty Academy will compile a crime statistics report from the incident and crime reports given to the campus security authorities (Campus Director). Crave will annually submit the security report each year after the letter and certificate requesting is sent to the Crave Director. The crime statistics will be sent to the Department of Education each year upon the receipt of a letter requesting the crime reports. This information will be uploaded to <http://surveys.ope.ed.gov/security>.

Crime statistics from the area surrounding Crave Beauty Academy will also be requested from the Wichita Police Department and will be disclosed in the annual crime report.

Each year, an announcement will be presented to all enrolled students reviewing this report and allowing access to this updated report. A typed up notice will also be posted by the student time clock for all enrolled students to view, which will include the URL to access the Annual Security Report as well as an overview of what is included in the report. Educators, Guest Services and the Administrative Staff will be notified via companywide e-mail. Copies of this report may also be obtained at the Campus Directors office or by calling 316-943-5516.

At Crave Beauty Academy, we strive to work together to provide a safe environment that will prepare our students for an incredible career.

Scope of the Report

This report will represent statistical information on crimes that occurred at or around Crave Beauty Academy during 2012, 2013 and 2014. Crave Beauty Academy does not offer any type of campus housing or recreational facilities.

Building Location: 3804 W. Douglas, Wichita, KS 67203

To report a crime:

Contact the campus security authorities immediately in the event of a crime. The campus security authority for Crave Beauty Academy is Laura Miller (Campus Director, Crave Beauty Academy) by calling 316-943-5516. If not available by phone, then e-mail speters@cravebeautyacademy.com (only in non-emergent cases). The campus security authorities do not have arresting authority.

For emergencies, dial 9-1-1.

Every crime that is reported to the security authorities will be investigated. Please note that due to the public nature of police reports, Crave Beauty Academy cannot ensure the complete confidentiality of any crime report. All incident reports are reviewed by the Director.

Crave Beauty Academy does not have a campus police department. Wichita Police Department has sole arresting authority on the Crave campus and the surrounding areas.

Students, Educators, Guest Services, Administrative Staff, clients and community members are encouraged to report all crimes and public safety related incidents to the above designated campus security authorities. For matters of emergent nature, dial 9-1-1 immediately.

This publication contains information about on-campus and off campus resources. Information is made available to provide Crave students, and staff specific information about local resources available should they become a victim of a crime. The information about local resources should be used as helpful information and does not infer that those resources are “reporting entities” for Crave Beauty Academy.

Timely Warning

Crimes should be reported to the Crave Beauty Academy campus security authorities to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

If students and staff are still in the Crave building and the Director determines that there is a significant emergency or threat, the school will, without delay and accounting for the safety of the community, determine the content of the notification and initiate continuing alarm.

A campus-wide “timely warning” will be made over the intercom system with the following statement: *“Crave is now in a lock down procedure. All staff, students and guests should report to the nearest classroom immediately.”*

This announcement will be made by the Crave security authority (Stacey Peters) via the intercom. In the Director’s absence, manager Bri Williams would notify the appropriate security authority and determine the content of the notification.

- Time and safety permitting, **Guest Services** will lock the front doors, and the **Esthetics Educator** will lock the back door.
- **Educators** in the classrooms are to lock the classroom doors. Tables in the classrooms should be tipped on their sides to form a barricade on a corner spot of the classroom, far away from windows. **Educators** should then take roll and write down the names of any students not accounted for or extra. The classes should remain quiet and still.
- **Administrative staff** should lock their offices if unable to evacuate, and remain as far back from windows as possible.
- The classrooms and offices will remain locked until emergency personnel arrive and announce that the area is safe to evacuate.
- **Educators** in the salon area will close all blinds. All Educators and clients will report to the nearest classroom or office. **Educators** should then take roll and write down the names of any students not accounted for or extra. The classes should remain quiet and still.
- After evacuation employees, students, and guests are to gather in the parking lot across from the building. Staff and students are required to remain on the property until everyone has been accounted for, unless otherwise told by a member of senior management.

After evacuation, a member of management from each department will ensure all staff is present and accounted for. Each **Classroom or Spa Educator** will ensure their students are present and accounted for. Each **Zone Educator** will ensure their students are present and accounted for. We will utilize the attendance binder, guest sign-in sheets, and employee/student lists to account for everyone present in the building before anyone is excused.

Upon notification from the authorities, a “*All Clear*” message will be announced over the intercom system by senior management.

All safety procedures will be tested on an annual basis.

Fire Safety Report:

During the last three years, Crave has had no fire-related incidents causing injury to person or property. The following is a copy of the fire and emergency evacuation action plan:

- Public address system announcement: Time permitting; an announcement will be made by senior management from the intercom, which is transmitted throughout the building and classrooms.
- Verbal announcement: Educators in each classroom and zone Educators will make a verbal announcement, time and situation permitting.
- ALL employees, students, and guests shall calmly evacuate by means of the **nearest** available marked exit. Each office and classroom has clearly posted exit diagrams. A member of **Administration** will bring a clipboard with a current list of employees and students. A member of **Guest Services** will bring a list of names of clients. **Education Manager** will bring a clipboard with a current list of employees and students, and **Student Services** will bring the attendance binder.
- Portable fire extinguishers are provided in the workplace in the following locations:
 - Shampoo bowl
 - First Hallway
 - Dispensary
 - Third Hallway

Employees or students may use extinguishers in an attempt to extinguish the fire if it is safe to do so.

- Critical operations shutdown procedures are not required, because no employees are authorized to delay evacuation for this purpose.
- No employees are assigned to perform medical or rescue duties during emergency evacuation situations.
- After evacuation, employees, students, and guests are to gather in the following location(s): All staff and students are to meet in across parking lot on the west side. **Staff and students are required to remain on the property until everyone has been accounted for, unless otherwise told by a member of senior management.**

Drug and Alcohol Policy; Substance Abuse Resources:

At Crave Beauty Academy, the illicit use of drugs and/or alcohol by staff or students is strictly prohibited.

The use of illicit drugs and alcohol can cause numerous health problems and can lead to death. The effects to a person's health include respiratory failure, heart attack, overdose, acute intoxication and transmittable diseases such as Hepatitis C and AIDS. Thousands of deaths are caused each year by drug overdoses, allergic reactions to drugs, toxic combinations of drugs, and alcohol poisoning. For more information about the effect of alcohol and drug abuse, please visit www.drugfree.org.

The manufacture, distribution, dispensation, possession, sale, purchase, offer to buy or sell, or use of alcohol, illegal drugs or related paraphernalia and the illegal use of any drugs (including the misuse of prescription drugs) at Crave Beauty Academy campus or while engaged in the course curriculum is strictly prohibited. The Academy also prohibits such conduct during non-curriculum time to the extent that, in the judgment of Crave Beauty Academy, it impairs a student's or staff member's ability to progress through the curriculum, threatens the reputation or integrity of the Academy or violates the law. Any student who violates this policy is subject to suspension or expulsion from the program. Any staff member who violates this policy is subject to sanctions up to or including termination.

Any student or staff member who has illegal possession or engages in the illicit use of drugs or alcohol is also subject to criminal prosecution. Crave will refer violators to the appropriate authorities for prosecution. Kansas law states that any person who violates the criminal statutes on controlled substances by possessing, offering for sale, distributing, or manufacturing opiates and narcotics shall be guilty of a drug severity level three (3) felony. If convicted, the court may sentence a person to a term of imprisonment in accordance with the Kansas Sentencing Guidelines Act and a fine of up to \$300,000. Unlawful possession of a depressant, stimulant or hallucinogenic drug is punishable as a Class A non-person misdemeanor, which carries a penalty of imprisonment and a fine of up to \$2,500.

Kansas statutes also provide for criminal penalties for conviction of certain alcohol-related offenses, such as underage consumption or providing alcohol to minors. These penalties include imprisonment of up to six months and fines of up to \$1,000.

For a first offense minor in possession of alcohol charge, the penalty is:

- Up to 1 month in jail
- \$200 minimum fine (\$500 if under 18)
- 40 hours of community public service
- Required attendance in an alcohol education program
- Suspension of driver's license for 30 days

Any student or staff member who purchases alcohol for a person under the legal drinking age of 21 could be subject to a maximum penalty of 6 months in jail and a \$1,000 fine.

Students or staff members who use prescription drugs should follow the prescribing physician's directions for use and all prescriptions are to be kept in the prescription bottle with the appropriate name of the user. If use of a prescription drug may impair your performance or affect safety while performing course-related services, you should notify the Learning Leader or supervisor (if staff) immediately so the Academy can take whatever action it finds appropriate to protect your safety and that of other students and clients. Any student or staff member who violates this policy is subject to suspension or expulsion from the program.

Sex Offenses

Reporting a Sex Offense

It is the policy of Crave Beauty Academy to immediately report any sexual offense to the Wichita Police Department, whether committed on or off campus. It is imperative that victims of any kind of sexual offense report the crime to one of the Crave security authorities and/or to the Wichita Police Department. It is also important to preserve any and all evidence (i.e. clothing, objects and any other biological evidence) for the proof of a criminal offense.

When sexual assaults are committed off-campus, persons are encouraged to report to the appropriate law enforcement agency, but a student may elect, instead, to report the sexual assault to one of the campus security authorities. Any assault will be immediately reported to the Wichita Police Department.

THINGS TO DO IF YOU ARE A VICTIM OF SEXUAL ASSAULT

1. Tell the first person you see and point out the attacker.
2. Don't shower or bathe.
3. Report ASSAULT to the Police.
4. Remember all you can about the attacker such as age, height, weight, race, color of eyes-hair-clothes, and type of complexion-pants-shirt-shoes.

Disciplinary Action for Sex Offense Convictions

If a student or a staff member is convicted of a sexual offense, regardless of whether or not the action took place on the Crave campus, that individual is subject to disciplinary actions by Crave. Any student or staff member may be subject to sanctions leading up to or including termination if convicted of any sex offense, including rape, acquaintance rape or any other forcible or non-forcible sex offenses.

Both the accuser and the accused will be informed of the outcome of any institutional sanctions. Additionally, both the accuser and the accused are entitled to have others present during a disciplinary proceeding.

Rape and Sexual Abuse Support

At this time, Crave Beauty Academy does not have on-campus resources for victims of a sexual assault. The following organizations are available to the community for assistance:

WASAC	(316) 263-0185
STEPSTONE	(316) 684-5120
YWCA Women's Crisis Center	(316) 267-SAFE (7233)

Registered Sex Offenders

In accordance to the Campus Sex Crimes Prevention Act of 2000 (CSCPA), which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Cleary Act and the Family Educational Rights and Privacy Act of 1974 (FERPA), the state of Kansas is required to provide information as to the location, enrollment and/or employment of a sex offender at a post-secondary institution to local law enforcement authorities. Crave Beauty Academy is required to inform both staff and students of recourses where this information can be found. The law also requires sex offenders already required to register in a State to provide notice to each higher education institution in that State at which the person is employed, carries a vocation, or is a student. In Kansas, convicted sex offenders must register with their local Sheriff's Office.

A list of all registered sex offenders in Kansas is available from the Kansas Bureau of Investigation at www.accesskansas.org/kbi/ro.shtml. The Crave Beauty Academy campus address is 3804 W Douglas, Wichita, KS 67203. Wichita is located in Sedgwick County.

Crave Beauty Academy is actively gathering information in order to provide students with safety and security training. This report will be updated when classes and/or training workshops are acquired.

SECURITY TIPS

PERSONAL SAFETY: PROTECT YOURSELF

Prevention is the best protection against crime.

- Don't dismiss suspicious people or situations.
- Don't put yourself in harm's way; avoid dangerous situations.
- Lock your car doors.
- Use common sense.
- Don't walk alone at night; stay in lighted areas.
- Park your vehicle in lighted areas; lock the doors.
- Keep valuables out of sight; don't tempt a thief.
- Don't give out your keys; they can be copied.
- Report all crimes and suspicious acts.

THINGS TO DO TO REDUCE THE RISK

- Lock doors.
- Avoid out-of-the-way places.
- Vary your routine.
- Learn about friends' attitudes before becoming friendly.
- Watch alcohol intake.
- Leave lights on in rooms.
- Have transportation or use public transportation.

AUTO THEFT PREVENTION: SECURING YOUR VEHICLE

- Always lock your car, even if you're leaving it for a short time.
- Remove the key, and do not keep a spare key hidden somewhere on the frame or body of the vehicle in a magnetic box.
- All windows should be rolled up completely. One slightly open window can render all other precautions useless.
- Park as close to the building as possible when parking at shopping malls or stores.
- Park in well lit areas. When possible park in an attended parking lot or garage. At home, park your vehicle in the garage.
- When parking in a public lot, never tell anyone how long you'll be (including the attendant). If a key must be left with an attendant, leave only the ignition key.
- Don't leave valuables visible in your car. Radios, cameras, packages, etc. attract attention and can tempt thieves to break in. Lock all valuables in the trunk.
- Never leave credit cards, checkbooks, or papers pertaining to the vehicle in the glove box. It could aid the thief in selling your car.
- Do not attach a name tag or plate to your key ring. It could lead a thief directly to your house or car if you lose your keys
